Our carpentry experts active throughout London. Solid Carpentry is a London based company with more than fifteen years of experience in the woodworking field and has competitive rates. Our team of highly-skilled craftsmen has extensive carpentry and joinery experience in addition to keeping projects on plan and to budget.

Located in London, you can find us in Hackney. We work with our clients (including architects and interior designers) to turn designs into completed projects. We do:

- Built-in storage, shelves and kitchens
- Floating shelf design and installation
- Bespoke bookcases and bookshelves
- Wardrobes and cupboards
- Timber doors and frames
- Window fitting including wooden casements, box and sash

Other services include:

- Shop front creation
- Kitchen fitting
- Flooring

We work hard at satisfying all clients with quality work, faster delivery and competitive pricing. In addition to deep knowledge of our craft, we pride ourselves on our reliability and customer service. Our reputation is something that we've worked hard to create and we work just as hard to maintain it.
